In the original publication of the article, the Fig. 1 text citation was incorrectly provided in the section "Virulence genes analysis". However, it should have been Fig. 2.
The Fig. 2 text citation was incorrectly provided in the section "Clinical data and diagnostic tests results". However, it should have been Fig. 1.
In the section "Antimicrobial testing results", Fig. 2 text citation is removed.
The figures 1 and 2 have been swapped correctly.

The original article has been corrected.
